FOUND GUILTY.—In Norfolk last night, after two days' consideration of the case of Brady, charged with killing Special Officer C. J. Calcutt last Christmas, the jury returned a verdict of guilty and fixed his imprisonment at eighteen years. The jury was from this city. Brady was tried last February for the same, that trial resulting in a hung jury. The circumstances of the case are: Brady was drinking on Christmas day. He became involved in a quarrel with a man named Tyrone, and subsequently went to the office of Special Officer Charles J. Calcutt, at the Boston wharf, and during a row, shot him, which resulted in his death. The shooting took place after he had had some words with Calcutt, and had gone home for his pistol. The Alexandria jury men are expected here to-morrow morning.

FOUND DEAD.—Mr. Henry Coxen, a well known butcher, of this city, was found dead in an out house at his home on West street, between King and Prince, at an early hour this morning, having died there during the night. It is supposed, of heart disease. Mr. Coxen was apparently in his usual health last night and made an engagement to assist Mr. O. F. Baggett at his stand in the market this morning. Last night he left several friends, with whom he was talking, telling them he would return in a few moments, and it is supposed that he died soon after leaving them. He was about 55 years old and was a member of the Friendship Fire Company, which company will meet to-night to make arrangements for attending the funeral.

CURED.

The Effect Was Magical.

I suffered from cancer on my lip, threatened the skill of the best physicians of the State. I had it burned out, but the operation only made it worse, causing it to spread over more surface and eat deeper in. I finally used Swift's Specific (S. S. S.) to heal it up and drove the poison out of my blood. The effect of the Specific was magical! It healed up entirely without leaving a scar as a reminder. This was over four years ago, and since then there has been no sign of a return of the cancer. I will cheerfully answer any inquiries in regard to my case.
